The policy is to invest in equity securities which are registered on the Stock Exchange of Thailand as well as on international stock exchanges. The Fund emphasizes value investing in the shares of Thai and foreign companies with strong links to the Greater Mekong Sub-Region (GMS) (including Thailand, Vietnam, Laos, Cambodia, Yunnan province of China, and Myanmar) with a development theme and poised to benefit from ASEAN (AEC) integration. The Fund will invest on average at least 80% of the Fund's NAV in such securities in each financial year. The remaining net asset value will be invested in deposits or other assets or profit acquisition by other means as prescribed by SEC or the Office of the SEC.
